

Smithtown Elementary PTA 2019 Annual Giving and Sharing Food Drive

November 8th thru November 22nd

Each and every year before Thanksgiving, SEL PTA humbly asks the families in our community to bestow their generosity on those less fortunate. Our goal is to create a Thanksgiving Meal for families in need within our own school.

Donations will be received in boxes located directly outside the school cafeteria from **Friday, November 8th through Friday, November 22nd**. **All items should be in their original sealed packaging. Please check expiration dates as we cannot donate anything that is expired.**
